

## **Fall Training Series Columbia MD**

*for group home providers, child care workers, residential staff, and paraprofessionals*

All workshops meet COMAR 14.31.06.05 requirements. Participants will receive certificates of completion.

### **Therapeutic Aggression Control Techniques (TACT 2)**

TACT 2 is a comprehensive crisis intervention program designed to help staff develop the skills and judgment to:

- 1) Prevent dangerous situations by recognizing warning signs
- 2) Communicate more effectively with angry youth
- 3) Resolve emotional crisis by using listening and counseling skills
- 4) Set limits using reminders, warnings, and confrontations
- 5) Intervene physically when necessary

November 7 -November 8, 2006 – Verbal Techniques Only  
9:00am-4:00pm

November 7 - November 9, 2006 – Full Certification  
9:00am-4:00pm

### **Suicide Prevention and Intervention**

This workshop will educate participants on the causes of suicide, provide insight into the risk factors and warning signs, and most importantly, teach skills for intervening with suicidal clients.

November 10, 2006  
9:00am – 12:00 noon

### **Basic Counseling Skills for Paraprofessionals**

Staff members do not need to be trained clinicians to help their youth process stressful, upsetting, or overwhelming situations and gain valuable insights into repeating patterns of self-defeating behavior. This practical workshop offers an opportunity to build essential skills in processing problems with youth before, during, and after a crisis.

November 10, 2006  
1:00pm – 4:00pm
